### Membership obligations:

- The Boys & Girls Club of Wetaskiwin relies heavily on fundraising. Without this generated source of income we would have to look at raising our prices for memberships, van shuttle, and every activity or program that we offer, in order to cover expenses.
- We ask that parents or designates sign up and work volunteer hours. For any reason that you must cancel or reschedule a booked time, it **MUST** be done within two working days or you may forfeit an obligation cheque.
- The Boys and Girls Club of Wetaskiwin values the volunteers who assist in fundraising and other volunteer areas.
- All camps are registered on a first come first serve basis.

**\* Boys and Girls Club of Wetaskiwin reserves the right to adjust fees without prior notice \***
